REPORT OF SELECTMEN

To the taxpayers and citizens of Haverhill:-

We herewith submit our report for the year ending January 31, 1942. On the following pages will be found a detailed statement.

Since our last Town meeting we have lost our chairman and friend, Ernest E. Craig. His passing will be a great loss to the Town as well as to the Board.

FINANCIAL

We think that tax collections have been very good this year. $98,328.87 was committed and of this amount $97,318.41 was collected. The amount covering property sold for taxes this year is $6,912.16 as against $11,963.35 last year, showing a gain of $5,051.19.

POLICE

The Police Department shows an overdraft of $109.66. This was due to a bill for repairs on the toilets at the Court House and a small item for National Defense.

STATE FORESTS

We received this year from the State, the sum of $53.15, which represents the tax paid us on Forest Lands. This is the first revenue of this kind that we have received and expect that this will be a continued revenue.

HIGHWAYS

We feel that our Highways have been well taken care of this year, but there was an overdraft of $1,720.82. This was accumulated mostly by unforeseen necessary work on the Heath Road, the new street in the Town portion of the Woodsville Park, blasting ledge on Locke Hill and Brushwood Road and North Haverhill Bridge repairs.

TOWN POOR

Due to the labor situation for the past year, our Town Poor expense has been cut $1,176.00 from the appropriation and we hope that this item will be still less this year.

ROY E. DUNKLEY,
GUY L. SOUTHARD,
Selectmen of Haverhill.

WHITE PINE BLISTER RUST CONTROL

Board of Selectmen, Haverhill, N. H.

Following our usual practice we are submitting a brief report covering white pine blister rust control in your town during 1941. Where funds were made available by the town, and increased by the state, labor was obtained by application to the Board of Selectmen or other town officials. In the case of control work being financed by the Federal Government labor was secured through the labor division of the Work Projects Administration. Rates of pay out of town funds were those set up locally while the WPA work was governed by county rates over which we had no control.

That this work was important is evidenced by the fact that during 1941 the Federal Government declared blister rust control a part of the National Defense program since white pine is considered a state and national resource. The tremendous cut of white pine during 1941, and the war purposes to which it has been put, indicates that it is indeed a resource of no small proportions. Consequently, its protection is vital.

The following finanacial statement shows the expenditurese made in your town during 1941 for blister rust control by the agencies indicated.

Yours very truly,
J. H. FOSTER, State Forester

TOTAL EXPENDITURES	$193,443.58	$117,203.50*

* Estimated Revenue exceeds Estimated Expenditures by $3,071.50.

The foregoing summary of Receipts and Expenditures as compared with the Budget is submitted by your Finance Committee with recommendations—That in addition to the County and Poll Taxes provided by law, the Town raise the sum of $14,228.83 and appropriate said sum and all other monies which may be paid into the Treasury and which are not required by law otherwise to be expended in accordance with the foregoing Budget as presented by the Finance Committee.

Total Estimated Expenses		$117,203.50
Less—		
County Tax	$12,500.00	
No. Haverhill precinct	2,200.00	

Precinct Haverhill Corner	1,700.00	
Woods. Un'n High Sch. Dist.	27,450.00	
Haverhill School Dist.	29,795.00	
Woodsville Fire Dist.	1,500.00	
		$75,145.00
		$42,058.50
Less—		
Poll Taxes	$ 2,500.00	
From State	7,850.00	
From Local Sources	4,975.00	
Balance Feb. 1, 1942	12,504.67	
		$27,829.67
To Balance Budget		$14,228.83

The amount to be raised this year is $11,524.80 less than was required last year. Aside from the increase in Balance On Hand at the close of the fiscal year this reduction is accounted for in part as follows: a saving of over $1,100.00 in interest charges as a result of the vote to refinance the Town debt last year; the elimination of an appropriation for State Aid roads by reason of completion of the North Haverhill-Benton highway; and an estimated reduction of $2,000.00 in County Taxes.

The appropriation for Town Maintenance was exceeded by the Road Agent to the extent of $1,742.46 ($1,840.82 less $98.36 lumber sold) which made it necessary to reimburse Woodsville precinct $1,686.40 predicated on a 48-52 division basis for a total overage of $3,428.86.

Your Committee recommends the adoption of Articles 5 and 6 of the warrant. If the Town will raise about $900.00 the State's contribution towards T.R.A. construction of Class 5 roads will be about $3,800.00. Also an appropriation of $1,750.00 for the rebuilding of North Haverhill bridge will be matched by the State and then future cost of maintenance of the bridge will be transferred from the Town to the State.

Since no article can legally appear in the warrant to appropriate money for Local Defense the budget items for the Police, Health, and Fire Departments were each increased $150.00 above normal to take care of potential Defense needs. This procedure has the approval of the State Tax Commission.

It is strongly recommended that the Town Officers exercise extreme care to keep expenditures within the budget this year and to this end they should have the full cooperation of all citizens.

Bond issue of 1931, $27,000.00 Interest rate, 4%
Bond issue of 1941, $40,000.00 Interest rate 1.7%
Received from Deeded Property, $2,714.51.

Taxes due the Town, $19 925.38 plus cash on hand $12,504.67. Total, $32,430.05.

Taxes bought by the Town have been reduced from $11,963.35 to $6,912.16 or a total of $5,051.19 as compared with a reduction of $512.47 shown in report of 1940, which is indeed gratifying.

Respectfully submitted,

R. H. LARGE,
Finance Committee.

REPORT OF THE TRUSTEES OF TRUST FUNDS

The income from the Southard Fund has been divided between the two School Districts, Haverhill $66.66 and Woodsville $59.11.

The income from trust funds for care of cemetery lots has been paid to E. E. Craig, Treasurer, this amounted to $511.52.

The income from the Carbee Fund has been paid to the Cottage Hospital.

The income from the John Dexter Locke Memorial Fund for the Improvement Prize has been turned over to the Superintendent of Schools. The income from the Library funds has been paid to the Treasurer of the Haverhill Library. No pupil being eligible for the John Dexter Locke Memorial Latin Prize, the interest was added to the principal.

The Fund known as the "John Eastman Shortage" was created to build up a fund to cover shortage in his accounts some years ago. When this fund is large enough it will be divided into the various funds which were closed out by Mr. Eastman. The Town of Haverhill pays $400.00 each year for this purpose.

All the above funds are deposited in the Woodsville Guaranty Savings, Amoskeag Savings Bank, New Hampshire Savings Bank, Littleton Savings Bank and Wells River Savings Bank with the exception of Bonds which are stored in a safe deposit box at the Woodsville National Bank. One bank book deposited with Merrimack River Savings Bank is in liquidation.

Respectfully submitted,
E. BLANK,
H. S. MITCHELL,
Trustees.

We are fortunate again in having milk supplied to forty-two pupils. The Progressive Club sponsors this work with the assistance of the D. A. R., the Grange, the American Legion, the Legion Auxiliary, the Rotary Club, the Lions Club, the Catholic Woman's Club, the Methodist Girls' Club, the Rebekah Lodge, the Odd Fellows Lodge, and the Brotherhood of Railroad Trainmen. As in other years a number of children have been provided with glasses by the Red Cross and a large group treated at the dental clinic.

During recent months a number of improvements have been made in both buildings. In the High School gas has been installed in the laboratory, the old ventilating system has been discarded and needed storage rooms constructed in the spaces thus made available. Under the direction of Mr. Moody the large room in the basement has been converted into a recreation room supplied with games. This serves a need for those coming from out of town who cannot take part in the athletic sports but who have to stay at school through the noon hour.

The kitchen has been done over and the furniture all repainted. In the Graded Building the upstairs book room has been converted into an office for the school nurse with proper equipment and a new couch for children who may be taken sick. The other book room has been redecorated and attractively refurnished for a teachers' room. The fifth grade room has been furnished with a steel ceiling and the eighth grade room partially equipped with modern adjustable desks. I would like to recommend buying more adjustable desks for the seventh and eighth grades and insulating the attics of both buildings. Insulation would undoubtedly make the buildings warmer and also save fuel. As the manual training room is overcrowded I would suggest enlarging the room by moving the inside partition as far as the girls' stairway.

In connection with the classroom work I am glad to report that we now have a supervisor of music. A pupil in grade four and one in grade five led their grades when the achievement tests were given to all the elementary pupils of this union last June.

In accordance with instructions sent out by the United States Office of Civilian Defense the schools are preparing for air raids. As the inside halls of both buildings are well protected they are to be used as places of refuge. Drills are being held at frequent intervals, so the children may know just what to do. If other precautions or changes in procedure are found to be advisable, the schools will be notified. The Council advises all adults and children to stay off the street, get under cover and keep away from windows.

Respectfully submitted,

EDWARD A. JANES.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my first annual report of the Woodsville High School, for the year ending January 31, 1942.

There have been registered to date one hundred fifty pupils, which is 16 less than last year. The diminished number may be accounted for because of several families removing from this vicinity, and several pupils entering trade schools instead of returning here. There are 65 boys, and 85 girls; thirty-seven are classed as seniors, 32 juniors, 48 second year, and 32 first year. There are 27 tuition pupils from Vermont, and 15 from New Hampshire.

In June of 1941 was graduated a class of twenty-seven: Erlene M. Beaton, Orman D. Beaton, Edwin M. Burton, Marian E. Chamberlin, Margaret F. Church, Rockwell E. Craig, Mona E. Currie, Priscilla F. Darby, Wilma L. Doe, Elizabeth V. Dupuis, Winifred L. Eastman, Ellsworth L. Frost, Joanne J. Hudson, James M. Jackson, Charles F. Kinerson, Harold A. Kirk, John E. Larty, George E. Mann, Pauline F. McCarthy, Frank D. Millette, Rita M. Mitchell, Janette M. Nelson, Allegra N. Rounds, John O. Sheldon, Harold O. Taylor, Roland S. Welch, and Curtis A. Wyman.

First place according to scholarship marks was taken by Janette Nelson, second place by Rita Mitchell, and third by Erlene Beaton.

The Alumni Attainment award for general excellence was given to John Larty, and the Perley N. Klark music award to Harold Taylor; the Quill and Scroll award for creative writing was presented to Ellsworth

Frost, and the American Legion cups for athletic activities to Marian Chamberlin and Roland Welch. The class gift to the school was a reading desk for the assembly hall platform.

Athletics and winter sports have continued to attract many pupils. The girls' team was undefeated in eleven games, and the boys lost only three out of sixteen contests. An athletic banquet was sponsored by the local service clubs.

After eight years without a teacher of singing, chorus work was revived with Miss Agnes Corfield, of Littleton, as leader.

At the close of the year in June several teachers resigned their work in this school. Miss Doris Baker, after two years here, went to Goffstown High School; George H. Rogers finished six years of teaching, and enlisted in the army; William Bryant, who had served here for thirteen years, transferred to a similar position in Science in Dover, N. H.; Miss Bertha Davis, after ten years in the English department, gave up teaching to enter work in a business office; G. H. McGaw, having completed twenty-three years as headmaster, requested release from the duties of that position, and has continued as teacher of languages. Mr. McGaw came to Woodsville in 1918, at the invitation of the late Supt. N. J. Page, after seven years in Hillsboro and is consequently serving his thirty-first year in the schools of New Hampshire. At the opening of school in September the following teachers were added to the faculty. Miss Bernice Hourihan of Peabody, Mass., teaching commercial work, Mr. William Kurylak of Manchester, teaching English, Mr. David Greenlaw of

Bethlehem, teaching mathematics, and J. Harold Moody of Enfield, headmaster, teaching mathematics and science.

Numerous extra-curricular features have taken place as in former years: several visiting speakers have addressed the assembly, some films have been shown, patriotic essays were written, the Cycle won a place in the Columbia contest, N. Y. A. work employed ten pupils, junior promenade was a happy occasion; other events are recorded in the press clippings in the official scrap book.

To meet changing world conditions adequate measures are being taken to protect pupils from possible air raids.

Looking toward the future it is recommended that some better arrangement be made for large classes, and that some change in the program of studies be made to provide more practical work for children not intending to go to college.

Increased emphasis is being laid upon the need for self direction and self control. It is with great pleasure that we report splendid cooperation from both pupils and parents in this matter.

Respectfully submitted,

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of the Haverhill School Board, beg to submit the following report:

During the past year we limited expenses for minor repairs at the different School Houses only to those which were absolutely essential. The basements at Haverhill Academy and Alumni Hall were repainted. The sewer pipe line between the Haverhill Academy and Alumni Hall Buildings had to be repaired entailing an expense of over one hundred dollars. Fourteen new desks, two rows, were installed in the Assembly Room of Haverhill Academy, and whilst the Board hoped to install new desks for two more rows during the coming school year, we thought it wise, under the present existing conditions, not to ask for any appropriation at this time. A new oil stove was installed in the Domestic Science room.

We wish to call attention to the annual reports of the School Superintendent, Mr. Edward A. Janes, and of the Headmaster of Haverhill Academy, Mr. Friend H. Jenkins.

Especial attention of the taxpayers and voters of the district is directed to the Budget, covering the proposed expenditures for the school year, beginning July 1, 1942. From some it will be noted that the Board desires an appropriation of $17,250 against $16,515

last year, towards Teachers' Salaries. We feel that the increase is warranted in view of the fact that there will be a shortage of teachers for the next school year. Many of the men teachers will be called into War Service, and a great many of the women teachers have accepted more lucrative positions in War industries. As regards the entire Budget the same has been prepared with great care and a desire for strict economy.

The retiring member of the Board is Mr. Emile Blank of Pike.

Respectfully submitted,
EMILE BLANK,
WM. H. SLIGHT,
WM. J. CLOUGH,
Haverhill School Board.

Center Haverhill, Hazel M. Underhill
School Nurse, Lottie M. B. Underhill
Truant Officer, Edward G. Hobbs
Health Officer, John L. Farnham

In comparing the figures given above for last year and this it will be seen that there has been a further drop in the total number at the Academy but not much change in the grades. Since the opening of school in September, however, there have been a number move away from East Haverhill, Center Haverhill, and Haverhill Corner. Because of this the State has cut down on the aid given the district. Lack of funds and the shortage of teachers may force the closing of one or two of these schools.

In accordance with instructions sent out by the United States Office of Civilian Defense the schools are taking what measures they can for protection in case of air raid. In this connection I would like to ask for certain equipment, namely: a telephone and outside gong for Haverhill Academy, a fire exit bolt for Pearson Hall, fire extinguishers and stirrup pumps for several of the buildings. As the fundamental rule to follow in case of a raid is to keep under cover, it seems best to put the children in the inner halls or basement whenever possible.

I am glad to report that hot lunches are again being served at East Haverhill and Center Haverhill, and that the North Haverhill school is making an exceptionally fine record for outdoor activities. Last June when the standard achievement tests were given to all the pupils of this union, a pupil in grade two, one in grade seven at Haverhill; and one in grade six at North Haverhill were the leaders.

For particulars regarding repairs and the activities of the high school I refer you to the reports of the School Board and the Headmaster.

Respectfully submitted,

EDWARD A. JANES.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I submit herewith my eighteenth annual report of Haverhill Academy and High School for the year ending January 31, 1942.

The enrollment for the school year 1941-1942 to date includes 86 pupils. Of this number 11 are tuition pupils. Eight have left school to date. This year's enrollment is the lowest since 1930 and represents a decrease of 38 from a high of 124 in 1936.

Distributed according to classes there are:

	Boys	Girls	Total
Seniors	9	12	21
Juniors	6	10	16
Sophomores	11	12	23
Freshmen	14	12	26
	40	46	86

Diplomas were awarded to the following 18 graduates in June: Hazel Barnett, Wilfred Brunelle, Katheryn Chandler, Margie Curtis, Charles Elms, Bettena Fortier, Dora Fortier, Theodore Frink, Dean Hammond Irene Hardy, Bertha Hodsdon, Helen Keith, Willis Kelley, Eva Lackie, Elizabeth Morris, Phyllis Pike, Robert Stevens, Milledge Thompson.

Scholarship honors were won by Elizabeth Morris, Bertha Hodsdon, Margie Curtis and Willis Kelley in the order named. The Scholarship, Loyalty and Achievement Medal was won by Robert Stevens. There was no award of the John Dexter Locke Latin Prize for the second consecutive year owing to the absence of any four year Latin pupils in the class. The American Legion Athletic Awards were won by

Phyllis Pike and Dean Hammond. The usual Commencement activities were held. The class averages on the various State Board tests were again above the averages for the state as a whole. Both teams from the class that competed in the annual Scholarship Day Contest held at Plymouth Teachers' College placed among the three highest in their respective subjects. It is worthy of note that 12 of the 25 teams that have competed in this annual contest during the past 10 years have won either first, second or third places.

All the usual activities of the school have been maintained as in the past. The athletic, musical, dramatic and social groups continue to draw an increasing number of participants. To what extent the National emergency will tend to reduce the scope of these activities is not apparent at present. No doubt some curtailment will be necessary and even desirable. To remove from the young people of this generation all of the burden and sacrifice that the exigences of the times impose would be to invite a later disregard on their part of the signs and causes that give birth to just such national and international crises. To the end that such shall not be the case the school has made a conscientious attempt to keep the pupils alert and cognizant of such signs and causes as are discernible and within their limitations to understand.

Respectfully submitted,

FRIEND H. JENKINS, Headmaster

REPORT OF TRUSTEES OF HAVERHILL ACADEMY

Upon his death, May 4, 1893, Haverhill Academy became the residuary legatee of the Estate of Samuel E. Southard. To conserve and to administrate this legacy the Trustees of Haverhill Academy were continued. An arrangement was made with the Town School District whereby the District supervised all details of Haverhill Academy and assumed all expenses as though a town school. The Trustees have, however, an equal vote with the School Board in electing members of the Faculty and in the selection of a janitor. Furthermore the income of the Trust Funds, less a suitable amount for conserving the original amounts of the Trust Fund, is paid over to the Town School District annually, and for use in connection with the Academy.

The original Southard fund amounted to about Ten Thousand dollars. Through the help of Mr. Charles P. Page, funds amounting to several thousand dollars and designated by the late Fred W. Page for ultimate use for the Academy Trust Fund, were released for immediate use.

For the year ending June 30, 1941 the income of the Trust Funds amounted to $912.18. From this income $600. was paid to the Town School District for use at Haverhill Academy.
